First Regular Session

HB 2024: CTEDs; internships; funding
Sponsor: Representative Udall, LD 25
Committee on Education

Overview

Allows a career and technical education district (CTED) to include a student who is enrolled in any internship course as part of a CTED program in its student count.

History

For the purposes of funding, a CTED may levy a maximum of .05 cents per \$100 of secondary net assessed property valuation to generate a local contribution, with the remainder of formula monies coming in the form of basic state aid. A CTED's student count may not include:

- 1) A student in K-9;
- 2) A student in grades 8 or 9 (may only be funded with monies generated by the CTED's tax levy);
- 3) A student in the year after graduation or who received a general equivalency diploma;
- 4) A student over 21; or
- 5) A student enrolled in an internship course as part of a CTED ([A.R.S. § 15-393\(4\)\(A\)\(B\)\(C\)\(D\)](#)).

The calculation of a CTED's average daily membership (ADM) differs as follows:

- 1) A student who is enrolled at a school district or charter school and a CTED course or program on a satellite campus generates 1.25 ADM;
- 2) A student who is enrolled at a school district or charter school and a CTED course or program at a centralized campus generates 1.75 ADM; and
- 3) A student who is enrolled at a school district or charter school and a CTED course or program at a leased centralized campus generates 1.75 ADM.

A school district or charter school and CTED must determine the apportionment of ADM for students. However, the apportioned amount may not exceed 1.0 ADM for either entity ([A.R.S. § 15-393\(N\)\(O\)\(Q\)](#)).

A *satellite campus* means a facility that is owned or operated by a school district or charter school and that offers CTED programs or courses. A *centralized campus* means a facility that is owned and operated by a CTED and that offers CTED programs or courses. A *leased centralized campus* means a facility that is leased and operated by a CTED that offers CTED programs or courses ([A.R.S. § 15-393\(Z\)\(2\)\(4\)\(5\)](#)).
